

Industrial cabinets

Sturdy, quality storage cabinets made from powder-coated steel provide storage suitable for industrial and technical environments. A wide range of accessories helps easily adapt the cabinets according to storage needs. Adjustable legs keep the cabinet stable on uneven surfaces. All cabinets have a lock, and most models also come with solid double doors. The low models have a rubber mat and sides to prevent objects from sliding off the top.

- A sturdy, grey (RAL 7035) steel frame, two widths and heights, depth 400 mm, door colour blue (RAL 5007) or grey (RAL 7035)
