

TRTA adjustable trolley

A sturdy and light-to-move trolley for use in transporting tools, as intermediate storage, and in moving components around in various environments. A sturdy steel frame and height-adjustable shelves make this a versatile trolley. The trolley is a combination of ergonomic function and beautiful design. Other accessories include steel mesh panels.

- Round, powder-coated (light grey, RAL 7035) steel pipe (ø 25 mm) end frames
- Powder-coated steel shelves with height adjustment, 2 or 4 shelves in the standard solution
- Four swivel castors (ø 125 mm), two with brakes
- Extra shelves, steel mesh panels, shelf dividers, and a document holder are available as accessories
- Maximum load capacity 150 kg/300 kg
- Also available with ESD protection
