

Concept trolley

A steel-framed additional work surface with height adjustment, suitable for many purposes of use. The integrated bottom shelf offers much needed extra storage. Easy and effortless to move around as needed, but the braked wheels ensure that the trolley stays firmly in place if needed. Well suited for use with Concept and WB workbenches.

- Additional work surface that can easily be moved as needed
- Steel frame, laminate worktop, total max load 150 kg
- An integrated bottom shelf, powder-coated (RAL 7035) steel, max load 25 kg
- An extra shelf is available as an accessory
- Height adjustment (650–900 mm) with an Allen key
- Four swivel castors (ø 100 mm), two with brakes
- Also available with ESD protection
- Can be equipped with an additional shelf or Drawer unit 30 series
