

Tool trolley

Sturdy tool trolley for workshop and garage environment. Tool trolley is very practical working surface with drawers and cabinets to store tools and components. Push handle and lightly rolling castors makes moving the trolley easy where ever needed. Several combinations available.

- Steel or vinyl top 910x525x30mm
- Two fixed castors and two swivel castors with brakes (Ø100)
- Drawers with actual full opening telescopic ball-race rails
- Maximum load per drawer 60kg
- Maximum load per shelf 50kg
- Maximum load trolley 300kg
- Dividers sets available for drawers
- Perforated panel for tool trolley available
- Also available with ESD protection
