

Drawer unit 53

Very durable and versatile 530 mm wide lockable drawer unit made from powder-coated steel. The frame comes in three different heights, and there are many drawer combinations to choose from. The drawer unit can be mounted under a worktop; on a plinth it can serve as a workbench leg; and equipped with castors it serves as a tool trolley and additional work surface. A safety lock prevents more than one drawer from opening at the same time. Fully opening drawers with a maximum load capacity of 60 kg. Cabinet version also available.

- Many drawer combinations to choose from.
- Powder-coated steel, light grey (RAL 7035) frame, and blue (RAL 5007) drawers. Also available with grey (RAL7035) drawers.
- Drawers open 100%, maximum load 60 kg.
- A cabinet version is also available; includes bottom shelf and one height adjustable shelf.
- Maximum load for drawer unit with castors 300 kg; 2 fixed castors and 2 swivel castors with brakes (ø100). The version with castors has a top with a rubber mat and pull handle.
- Additional accessories include interior combinations for organising small items, and rubber mats for drawer.
- Also available with ESD protection
