

Cabinet trolleys

The trolley’s frame is made of solid, powder-coated steel (RAL 7035). The bottom shelf makes the trolley sturdy and it can be used also as an extra storage space Eight bin cabinets to organise small-parts can be attached to the frame based on own needs.

- Powder-coated (light grey, RAL 7035) steel frame with a fixed bottom shelf
- Maximum eight small-parts cabinets, 4 on each side, can be attached to the trolley (to be ordered separately)
- Height of the fixing rails can be adjusted easily without tools
- Height adjustable ergonomic push handle
- Four swivel castors (ø 100 mm), two with brakes
- Load capacity 300 kg, height 1790 mm
- Module M750, all the upright tube accessories are available
- Also available with ESD protection
