

Fitter’s trolley

The fitter’s trolley can be used to organise tools and move them to where they are needed. Placed on a rubber mat, tools can be used effortlessly. A versatile trolley for which a wide range of accessories is available.

- A sturdy, powder-coated (light grey, RAL 7035) steel frame
- Four different ready-to-use combinations, can be configured as needed
- Additional accessories include a cone holder, a pull-out worktop, and all the accessories of the M750 modules
- Maximum load per shelf 150 kg
- Maximum load capacity 300 kg, height 855 mm
- Four swivel castors (ø 100 mm), two with brakes

Fitter’s trolley (4)
