

## MLC mobile workstation

A light, ergonomic and easy-to-move workstation. The mobile workstation moves and turns effortlessly even in tight spaces. A laptop computer can be placed on the worktop or underneath it, in which case only the screen is visible. A wide range of accessories is available, with all the necessary supplies included. Improves efficiency in the workplace.

- An ergonomic workstation that is light to move around
- Standard features include a laminated worktop and a lockable computer compartment with holes for wires
- A wide range of accessories, such as a folder holder, a supplies drawer, and a support for an LCD screen
- Height adjustment with a gas spring (800–1200 mm)
- Aluminium frame, steel legs, max load 12 kg
- Four castors that turn (ø 125 mm), two with brakes
- Also available with ESD protection
