

Work stools

Treston work stools meet industrial requirements. Polyurethane (PU) is a durable, washable, and easy to clean material. It is suitable for use in production environments in which oil, grease, and mild acids and bases are handled, or in which moisture or sparks occur. Faux leather is soft and comfortable, like fabric, but also easy to maintain, washable, and resistant to disinfectants.

- Adjustable seat height, 46-63 cm
- Diameter 35/40 cm
- Upholstery options are PU and faux leather
- PU material can withstand pointed and sharp-edged objects
- Also available with ESD protection
- Without a load, the wheels brake
- 10-year warranty
