

TP workbench

The Treston TP workbench is a solid, standard industrial workbench that is suitable for various industrial tasks and environments. A cost-effective alternative that is also easy to customise using the wide range of accessories and add-ons.

- Low-cost and cost-effective standard workbench
- Suitable for most industrial jobs and environments
- Sturdy and durable, the steel frame's load capacity is max 300 kg
- Easy to customise with a wide range of accessories and add-ons to meet various needs

For a workbench equipped with a shelf, check out the [Treston TPH workbench](#).
