

TP upright frame

The Treston TP upright frame meets the need for a light-weight industrial workbench. Accessories and a table top can be selected for the frame, to meet all kinds of needs.

- A low-cost and cost-effective industrial workbench
- The table top must be ordered separately
- Also available with ESD protection
- Maximum load capacity of frame 300 kg

For a more solid standard workbench, check out the Treston TP workbench.
