

Neon

The Neon chair is suitable for modern industrial workplaces in which top-of-the-class ergonomic consists of a chair body element, which includes the leg and mechanism, and a padding element. It is flexible, unique, long-lasting, and economical.

- Consists of a chair body element and an upholstery element. Black fabric upholstery with grey stitching.
- 'A swing mechanism', for synchronised tilting of the seat and back
- Height and tilt adjustment for the seat, as well as seat depth adjustment
- Height adjustment for the chair's back rest
- Available with 4D armrests (with height, width, and depth adjustment, and a swivel function)
- Different wheel options for hard and soft floors. Leg caps can be ordered separately.
- Available with ESD protection
- 10-year warranty
