

## Treston Ergo

The Treston Ergo is a highly adjustable, ergonomic chair for use in industrial and technical work. The Ergo enable the user to maintain a correct sitting position in various production environments. The chair is designed for users who require precision, and the normal-sized back rest allows the user to move, turn, and bend their torso. It is suitable for workshops, packing areas, and production.

- User-friendly, can be adjusted quickly
- The chair's back rest shapes itself around the user's body position and it has height adjustment
- The seat has height and tilt adjustment
- Accessories include 4D armrests (with height, width and depth adjustment, and a swivel function)
- A large, ergonomically designed seat, back rest, and lumbar support
- The Ergo 25 and 35 are available with wheels or leg caps
- Excellent value for money
- 10-year warranty
